STAINLESS STEEL COOKWARE

Stainless Steel

The Skottsberg Stainless Steel Cookware range is designed for durability and high-performance cooking. These pans feature even heat distribution, excellent heat retention, and resistance to acids, making them ideal for various cooking methods. They are dishwasher-safe, oven-friendly, and compatible with all heat sources, including induction.

CARBON STEEL COOKWARE

Carbon Steel | Stainless Steel

The Skottsberg Carbon Steel Cookware range is built for durability and high-heat cooking. These pans heat up quickly, retain heat well, and develop a natural non-stick patina over time. They are pre-seasoned, PFOA-free, and suitable for barbecue, gas, induction, ceramic, oven, and open fire cooking.

CAST IRON COOKWARE

Cast Iron | Stainless Steel

The Skottsberg Cast Iron Cookware range is built for durability and excellent heat retention. These pans are PFOA-free, meaning they have no synthetic non-stick coatings, and they develop a natural patina over time for improved cooking performance. These pans are compatible with barbecue, gas, induction, ceramic, oven, and open fire cooking, making them versatile for any kitchen or outdoor setup.

SERVING BOARDS

Longan Wood

The Skottsberg Serving Boards are crafted from sustainably sourced Longan wood, known for its durability and unique grain patterns. These boards are sawn from a single piece, making them extremely strong and resistant to warping. They are treated with food-safe Tung oil, which enhances their water-repellent properties and gives them a beautiful matte finish.
